

## **ANNUAL REPORT 2018-2019**

### **NATIONAL SERVICE SCHEME**

#### **NSS UNIT – I &II.**

#### **ONDA THANA MAHAVIDYALAYA**

#### **About NSS Units of Onda Thana Mahavidyalaya, Bankura**

The National Service Scheme is a noble Youth Activity of our country that started in 1969 on the occasion of the birth centenary of Mahatma Gandhi. The main objective of NSS is 'Education through Community Service'. 'NOT ME BUT YOU' are the motto of NSS which means every person should realize that not he alone or she alone is important but the society in which he or she lives is on the whole important. NSS activities are multipurpose as well as multidimensional in their nature. And in practice, these activities play an important part in the service of mankind and in the execution of the process of formation of the future generation of the country through various constructive programs. The phenomenal success of Science and Technology in his service has made man forget the long-cherished values such as love, peace, co-operation and tolerance etc. materialism and its comfort shifted the importance of life to mere acquisition of material wealth. Further Globalization has thrown the values out of greater life.

West Bengal is one of the first few states where NSS has been introduced since inception in the country in 1969. In the days to come, NSS activities will further be strengthened to take it to the optimum level by sincerity and commitment of all concerned. Similarly, the NSS of Onda Thana Mahavidyalaya has achieved many goals of youth empowerment. The NSS volunteers are involved in multi-dimensional activities like laying of college garden, tree plantation, adoption of village, Swatch Bharat Abhiyan, health camp, awareness programs etc. The students may be placed in projects of adult education, welfare of slum dwellers, training in civil defense, work in hospitals etc.

#### **OUR MISSION**

1. To inculcate principles, values and ideologies in the younger generation and make them aware of moral duties and initiate them into social community service.
2. To inspire volunteers to take active participation in statewide or national NSS activities.
3. To motivate students for cultural programs and take active participation in national competitions.
4. To arrange awareness programs related to health, hygiene, cleanliness, road safety, organic cultivation, vector born changes, prevention of tobacco, dengue and AIDS among common people.

## **UNITS, PROGRAMME OFFICERS AND INTAKE CAPACITY**

In recognition of our real attachment to society the university has sanctioned two NSS Units. Dr. SK Jahir Abbas and Driпти Mandal are in charge of Unit-1 and 2 respectively. The Program Officer is actively engaged in indifferent programs.
